Historic

The Chad located in the heart of Africa, with 1,284 m² is a country of contrasts with more than 150 ethnic groups. Our group will present you a few dances with costumes that will be accompanied by traditional music.

Established August 7, 1998, the Star Ballet of Chad has a legal status of Association and consists of professional artists of dance and music. Our goal is to promote the Chadian cultural heritage through dance, storytelling, masks and traditional instruments in the multicultural world more inclined towards modernism.

The Star Ballet of Chad has a repertoire of over 60 ritual dances and rejoicing, representative of all the traditions of Chad. Our directory can be presented in several categories of "cultural production":

- Performance for celebration and relaxation,
- Teaching dance and percussion,
- Sensitization social problems: AIDS, environment, safety, sanitation, peace and democracy ...
- Promotion of marketing products or services businesses,
- Choreographic creation and / or singing at the request of customers and during international competitions.
